**Subject:      Withdrawal of Deputy Director Bus Operation Additional Charge**

Respected Sir,

This is with reference to the Notification No. SMTA/Admin/2022/L711 dated 28<sup>th</sup> February 2022 through which the undersigned (Deputy Director Infrastructure) was assigned an additional charge of Deputy Director Bus Operation SMTA, GoS.

It is highlighted that the Bus Operation is very specific and technical job which requires the highly qualified technical team having vast experience in its field. The technical team would perform their duties in line with the quality service of buses and its operation requirements and ensure the compliance of maintenance, ITS and revenue collections etc. as per international policies, guidelines and standards.

It is further highlighted that my qualification and job experience do not meet the subject position. Whereas the undersigned has never been involved in Bus Operation in professional career. However, since I resumed the additional charge of DD Bus Operation, I am trying to understand the subject work specifications, standards and its implementation but unfortunately, due to continuous over-load of Infrastructure works and some sensitive family affairs, the undersigned remains unable to understand and could not fulfill the job requirements of Bus operations where one can meet the subject position's job descriptions.

Considering the above facts and the sensitivity of Bus Operation requirement, the undersigned withdraws the additional charge of Deputy Director Bus Operations but sincerely recommend to recruit the technical team (Officers/Staff) for Bus Operations on priority in the best interest and success of SMTA projects and to strengthen the department.

This is for your kind information and record please.

Yours Sincerely
